

ADAMS COUNTY GIRL NAMED STATE QUEEN

Miss Janet Millar, a pretty 17-year-old student at New Oxford High School, was almost more interested in a handkerchief to dry the tears in her eyes than being crowned Pennsylvania's Apple Dessert Queen Saturday afternoon at the state contest held at the Metropolitan Edison building, York.

As Congressman George A. Gooding placed the crown on her head tears of happiness were streaming down her cheeks.

Miss Millar, daughter of Mr. and Mrs. John Z. Millar, New Oxford R. 2, won the crown over 11 other contestants from across the Keystone State with a lattice-top apple pie. She used the same recipe that an older sister had used several years ago to place third in a state contest. Another sister had won the Adams County crown a few years ago. Janet is one of five daughters and one son in the Millar family.

PERRY COUNTY SECOND

The new queen is president of the Future Homemakers' Club in her school, and she plays baritone and alto saxophone in the school marching band and dance bands. She plans to attend Indiana State College after graduation in June to study in the field of home economics.

Mary Jane Rice, daughter of Mr. and Mrs. Clark Rice, New Bloomfield, Perry County, was the second place winner with an apple pie with nut glaze. Third place honors went to Diane McWilliams, daughter of Donald S. McWilliams, Mill Village, Erie County, who baked a dutch apple tart.

Judges were Mrs. Lorraine Miller, extension home economist with the Pennsylvania State University; Miss Phyllis Cashman, food technologist with Knouse Foods Inc., and Mrs. Alice Lower, cafeteria manager with the Gettysburg Joint School system.

Other participants were Mary Free of Crawford County; Shirley Welton, Venango; Sara Jane Leksell, Indiana; Betty Jane Klingler, Dauphin; Loretta Mitchell, Somerset; Susan Kraut, York; June Sherman, Cumberland and Sandy Sedlmeyer, Cambria.

PMA DINNER SESSION AT YORK TONIGHT

Industry chief executives and their associates from Adams and York Counties will meet in York tonight at the first regional meeting ever held in this area for members of the Pennsylvania Manufacturers' Association and its affiliated insurance companies.

The state employers' association with headquarters in Philadelphia numbers nearly 10,000 individual manufacturing establishments among its membership. A spokesman for the organization, the largest of its kind in the nation, said that a series of similar meetings is being held statewide.

The PMA reception and dinner meeting will be held at 6:15 o'clock in the Hotel Yorktowne ballroom.

MALONE TO SPEAK

James F. Malone, PMA president, who will be principal speaker at the meeting to which manufacturers in York and Adams counties have been invited, noted that the meeting series across this state is designed to replace the association's traditional annual dinner meeting in Philadelphia to permit more direct contact with its far-flung membership. Malone said that because of mounting legislative and tax problems affecting industry across the Commonwealth, there is an urgent need for closer relationship between the association and its members. He stressed the importance of local manufacturing problems and (See Photo On Page 3)

REFORMATION SERVICE HELD HERE SUNDAY

"It's a healthy sign when you and I begin to re-examine our Protestant heritage critically," Bishop W. Vernon Middleton of the Western Pennsylvania Area of the Methodist Church told a large Reformation Sunday audience Sunday evening in the Church of the Abiding Presence on the seminary campus.

Speaking on "Our Heritage and Our Destiny," Bishop Middleton took his text from the eighth verse of the second chapter of Ephesians: "For by grace are ye saved through faith, and that not of yourselves: it is the gift of God." He read the text from both the King James and the Phillips translations.

Dr. Middleton said: "Remember that God does for men something they could not do for themselves, not only in history but in contemporary times, by offering to save them through faith rather than by their works. The average Protestant today has taken the basic principles of his Protestant faith for granted and things that are taken for granted rarely become operative in us and do not affect our lives very much. The power of the Protestant heritage has surely been that it has affected the thinking and conduct of men."

The preacher said he refuses to accept the opinion of a recent writer in "Christian Century" magazine, that "we are living

The skies remained partially overcast during the morning and weather forecasts indicate the possibility of more showers later today and Tuesday.

This morning's shower did not produce enough precipitation to make a measurement possible at the Gettysburg Times weather station.

HUNTER SHOT IN BOTH EYES ON SATURDAY

One hunter was reported in a serious condition and another slightly hurt in first-day hunting accidents as the small game season opened in Adams County Saturday.

Staff Sgt. Clayton Simons, 25, a radar technician at Olmsted Air Force base, Middletown, remained in serious condition in the Harrisburg Hospital today with shotgun pellets in both eyes and other facial and body wounds.

He was injured shortly after noon Saturday while hunting near the Gettysburg Airport when a shot fired at a pheasant struck him. The shot apparently was fired by another member of his hunting party, Game Protector Paul F. Glenn, although the investigation of the mishap has not been completed.

CHECK ON VIOLATIONS

Late Saturday morning the Rev. George Shultz, Littlestown R. 2, was brought to the Warner Hospital here when he was hit over the left eye by a stray pellet while hunting. He was released after treatment and an initial report of the accident was made to the game protector.

Game Protector Glenn revealed also that he has under investigation a number of first-day game law violations and indicated that in most of them fines are going to be assessed.

Several cases of hunting within safety zones have been reported. Cases of starting the season as much as an hour before it opened legally at 9 a.m. Saturday also are being checked.

Glenn also had under investigation a group of young men from Maryland who shot both pheasant hens and roosters indiscriminately. Only the males are legal game.

The safety zone violations were instances in which gunners hunted within 150 yards of occupied dwellings without the consent of the owners.

OVER-STREET SIGNS MOVED

Signs in Gettysburg which extend over the street must be moved Mayor Wilbur L. Plank reported today.

Twenty-seven merchants had previously been notified their signs violated the law by extending over the street. A number have moved their signs to comply with the law.

Because of the length of time some of the signs had been in place there was at the time of the original order from the mayor some question concerning the next step on the part of the borough.

That question was removed today following a conference between Mayor Plank, County Superintendent of Highways Clyde O. Garber and Borough Solicitor Eugene V. Bulleit, in the latter's office.

The decision, based on the state highway code, is that all of the signs must be "promptly" moved back so they no longer extend over the street.

"LIVE EACH DAY"

Live each day as though it were . . . your last upon this earth . . . for although life is borrowed time . . . gold cannot buy its worth . . . live righteously and close to God . . . and you will surely find . . . the road you take will always lead . . . to blessed peace of mind . . . do good for everyone you can . . . by kindly word or deed . . . remember love will always be . . . mankind's greatest need . . . oh, I know that it's hard to give . . . when there is small return . . . but by so doing you can help . . . the hearts who ache and yearn . . . so at least try to follow . . . what I have written of . . . this day, might be your last one . . . fill it with tender love.

Seek \$300,000 For More York Industry

The public fund-raising campaign to collect \$300,000 to import new industry into York County is scheduled to begin around mid-November and continue into next January, it was announced today by Roland H. Dunn, executive director of the York County Industrial Corp.

The campaign will be conducted for the corporation by the professional fund-raising firm of Ward, Dreshman and Reinhardt, New York, which will receive a fixed fee "plus incidental expenses incurred regardless of the amount raised," Dunn explained.

The solicitation was originally planned for launching on Nov. 1. However, Dunn said it was decided to delay the start to avoid conflict with the campaign of the United Fund of York County which officially ends Nov. 20 although the "cleanup" phase will continue several weeks beyond that period.

MISS KROUT, M. B. WIEMAN WED SATURDAY

Miss Hazel Louise KROUT, daughter of Mr. and Mrs. Lee A. KROUT, 334 E. King St., Littlestown, and Michael B. WIEMAN, son of Mr. and Mrs. Diller P. WIEMAN, 223 Highland Ave., Hanover, were united in marriage on Saturday afternoon at 2 o'clock in St. James' United Church of Christ, along the Harney Rd.

The pastor, the Rev. John C. Chatlos, performed the double-ring ceremony in the presence of a large number of relatives and friends of the couple. Ferns and palms banked the altar rail. Other decorations included bouquets of white chrysanthemums and pompons. Phillip Jeffcoat, Littlestown R. D., served as acolyte. Shiris Straussner presided at the organ console and played the traditional wedding marches.

The bride, who was given in marriage by her father, was attired in a long white gown of pure silk organza, fashioned with a bateau neckline, embellished with jeweled Florentine lace, and three-quarter length sleeves. The skirt front featured a flat panel with an intricate design of Florentine lace; also fullness to the sides which gathered in two silk roses at the center of the back, falling from there into a court style train. Her bouffant veil of silk illusion fell from a Swedish style crown of Florentine lace. She carried a white satin fan edged in Florentine lace with an arrangement of white miniature roses centered with a white orchid and ivy.

RECEPTION HELD

Miss Jean KROUT, Littlestown, sister of the bride, was maid of honor. She wore a floor length gown of pure silk organza in sage green. The gown was styled with a bateau neckline, short sleeves and a pleated taffeta cummerbund in a deeper hue. The bouffant skirt featured a taffeta rose in back with deep bustling of organza and taffeta. She had a matching jeweled headpiece with a circular tulle veil and she carried a cascade bouquet of yellow and bronze chrysanthemums, croton leaves and wheat.

The bridegroom chose for his best man Eugene C. Toomey, Dillsburg, Richard M. Stahl and Anthony Fulco Jr., both of Hanover, served as ushers.

A reception was held in the church social hall immediately following the ceremony. Approximately 125 wedding guests were in attendance.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO
A frightful accident occurred at Pittsburgh last week during the embarkation of General Negley's Brigade. In consequence of the steamer Wallace being too crowded, a sudden rush to one side of the boat caused by the fall of an artillery horse, caused the hurricane deck to give way, carrying down everybody on it. About thirty persons were injured, some seriously, all belonging to Col. Hambrick's Lancaster Regiment.

Terrific Explosion Of Powder Mills At Bennington, Vt.
On Tuesday morning last two powder mills exploded in the village of Bennington, each containing two tons of powder. The buildings, and all they contained were completely demolished, scarcely anything but charred and blackened timbers and heaps of foundation stones being left to mark the place, while the trees around were hung with small pieces of boards and shingles, those nearest the buildings showing the effects of a pretty thorough and severe singeing. Doors were torn from their hinges, and timbers were thrown to a great distance. The report was heard for miles around. Three miles south dishes rattled on the pantry shelves. The mills have been running on a Government order for quite a length of time.

Terrible Loss: The roll call at Washington on Sunday of the four regiments, parts of which were at the Ball's Bluff battle, show nine hundred and fifty-three missing. Out of seventy-four line officers but thirty returned safe, and of thirteen field officers only three returned safe. Of this nine hundred and fifty-three there may be a few stragglers yet who will report themselves.

SEVENTY-FIVE YEARS AGO
Bartholdi's Statue Unveiled: Notwithstanding the unfavorable weather, the demonstration which attended the unveiling of the Statue of Liberty in New York Harbor last week was of an imposing character, and entirely worthy of an occasion which has aroused the popular interest and enthusiasm of two great nations to an unusual degree. New York City put on its gayest festive attire, and its principal buildings were decked with flags and banners. The streets were thronged with people, and the procession of military and civic organizations was on a scale of unusual magnitude. The ceremonies of the unveiling at Bedloe's Island were simple but impressive, and the occasion, marked as it was by the presence of the President of the United States and members of his cabinet, was of a character to thoroughly gratify the national pride of the French people, and to reward the noble aspirations of the author of the work, M. Bartholdi.

Rockford, Ill.: Johnson's oatmeal building, Bartlett & Co.'s flour and commission warehouse, A. L. Bartlett's mill and grain warehouses, N. C. Thompson's Manufacturing Company warehouse, and the residences of Mrs. P. Doyle and William Halley, of this place, were destroyed by fire today, loss \$100,000; insurance about \$50,000.

Express Robbery: On Tuesday night the Adams Express car was robbed of \$50,000 between St. Louis and Pacific, Missouri. Before the train left St. Louis a man giving the name of Cummings presented letters to the express messenger, Mr. Fotheringham, purporting to be signed by officers of the company, stating that Cummings was about to take a "run" on the line and asking Fotheringham to give him the points. When near Meramec the stranger overpowered the messenger, gagged him and bound him to the safe, after which he coolly rifled the car. He cut open the bags containing silver, but took none of it. At Meramec he left the train. The robbery was not discovered until the train

NO PARKING HERE!
I never see this sign but that I am made thoughtful. The fact is that there is too much parking in the wrong places.
I know of people who have idle useless drones parked all over their consciousness. They carry an extra burden because there are those who have thought that they owned space in that life.
Then there are those who allow no parking on their property. They want every inch of space that is theirs that they may make life just as full for them as they are able. Of such is the kingdom of doing.
Every business man is aware of that type which finds it most convenient to park on his time. This type is always destructive. It takes and gives nothing.
I know of people who park on the affections of others, thus depriving that one of beauty and freedom justly due.
The long lanes and avenues of life are littered with parkers. They know they have no right to park there yet they take the chance and go their way self-satisfied and secretly gloating over their good fortune, as it seems to them.
Real life is movement. He who stands still lays himself open to great temptation. He retards. He shrivels. He grows selfish and boastful. And his courage grows pale and thin of meaning.
You can almost read the sign on some people's faces. "Park here!" And on those same faces you see the lines and scars of those who have parked there and left nothing good or of worth.
Why park anyway? Move bravely on. If your goal is worth attainment, then it is worth moving toward every moment of the day.

Just Folks
AUTUMN
The falling leaves seem pitiful to see —
Cold, old brown things that quit life's rugged stem.
They've clung so gladly to their mother tree
And now the frozen earth is taking them.

I watch them fluttering 'neath a somber sky.
Too frail to battle with the wind today,
And wonder if, like men, they fear to die
And longer on the branch would like to stay.

I watched them come to bud in early spring,
And through the summer knew their friendly shade.
Among them I have heard the song birds sing:
Ours was a friendship brief, but gladly made.

But now, too old and tired to carry on,
A last farewell they seem to wave at me,
Drift past my window swiftly and are gone
To find their purpose in eternity.

MOSCOW (AP)—Nikita Khrushchev says he doesn't want to be regarded as a dictator.
The Soviet premier made a reference Friday to the glorifying speeches about him at the 22nd Communist Party Congress.
"I appreciate the kind of feelings guiding these comrades," Khrushchev told the delegates, "but allow me to state emphatically that everything said about me should be referred to the central committee, because not a single major measure, nor a single responsible speech was undertaken on somebody's personal instructions. They are all the result of collective discussion and of collective decision."

HAVE NEW PLAN TO LAUNCH U. S. MOON ROCKET

By HOWARD BENEDICT
CAPE CANAVERAL, Fla. (AP) — The highly-successful flight of the first Saturn superbooster is expected to lead to U.S. pursuit of orbital rendezvous instead of direct flight as a means of quickening manned landings on the moon.

The rendezvous method would employ Saturns to place a rocket and a spaceship in separate orbits 300 miles high. The two would join in space, and the rocket would boost the ship to the moon. In the vacuum of space, the orbiting rocket would not require the immense power of ground-launched vehicles which must shoulder through the earth's heavy atmosphere.

Experts here discussed rendezvous after Friday's perfect test of the first Saturn, the world's largest known rocket. They theorized the approach could cut two years from the direct-flight concept using the Nova rocket, still on the drawing board.

90 MILES HIGH
With its eight-engine power-plant pouring out 1.3 million pounds of thrust, the 162-foot Saturn raced 90 miles high, then fell as intended with two dummy upper stages into the Atlantic Ocean 200 miles away.

The entire flight lasted only eight minutes. But it provided tremendous impetus to the U.S. race to beat the Russians to the moon. Few persons expected complete success on the maiden test. Prelaunch calculations had placed chances of success at only 30 per cent.

Dr. Robert Seamans, NASA associate administrator, said afterwards: "Today we made a significant step forward in development of vehicles we need for space exploration, especially manned space exploration."

SATISFYING FLIGHT
Dr. Werner von Braun, chief of NASA's Space Flight Center whose team of German rocket specialists helped develop Saturn, called it a very satisfying flight. He said information from it will lead to improvements in the second Saturn test vehicle, scheduled for launching next March.

A total of 10 research shots are planned before the first operational Saturn, the C1 model, is ready to send useful payloads aloft. The first operational mission in 1964 will be to send the three-man Apollo spacecraft into earth orbit. A more powerful Saturn C3, with 3-4 million pounds of power in the booster stage, will be used in 1966 to hurl the manned Apollo into lunar orbit.

Dr. Hugh Dryden, NASA deputy administrator, said recently that an attempt will be made to mate a Project Mercury capsule with the orbiting second stage of an Atlas-Agena rocket. The test, probably next year, will determine whether two vehicles can be joined in space.

A Lovelier You

By MARY SUE MILLER
REDUCING DILEMMAS. Readers of this column have sent in the reducing questions below. The answers could well solve a dilemma or two for other slimmers. Take a look!

Is there a pill you can take to lose weight? None such exists. To

weigh less you have to eat less. For easing hunger pangs, doctors sometimes prescribe an appetite depressant in pill or other form. Use is not advisable, however, except under medical supervision.

Does massage have value in reducing? It is useful because of its firming effect on the flesh and muscles. This may lead to a loss of inches, but not pounds.

How worthwhile are reducing clubs? If you are greatly overweight, joining a club can be very helpful. First off, misery loves company. Too, a good club develops a competitive spirit, so that you try harder to be a ranking weight loser. Through an exchange of information, you also increase your diet know-how.

When weight is inherited, what are the chances for successful reduction? Weight is not inherited. What's handed down are eating habits — overeating habits. Curb your food intake and you curb your weight.

Is it true that a woman just naturally puts on weight as she grows older? No! A sedentary life accounts for most gains in mature years. A woman gets less exercise, but eats the same amount of food as when she was active. As a result, the pounds creep up.

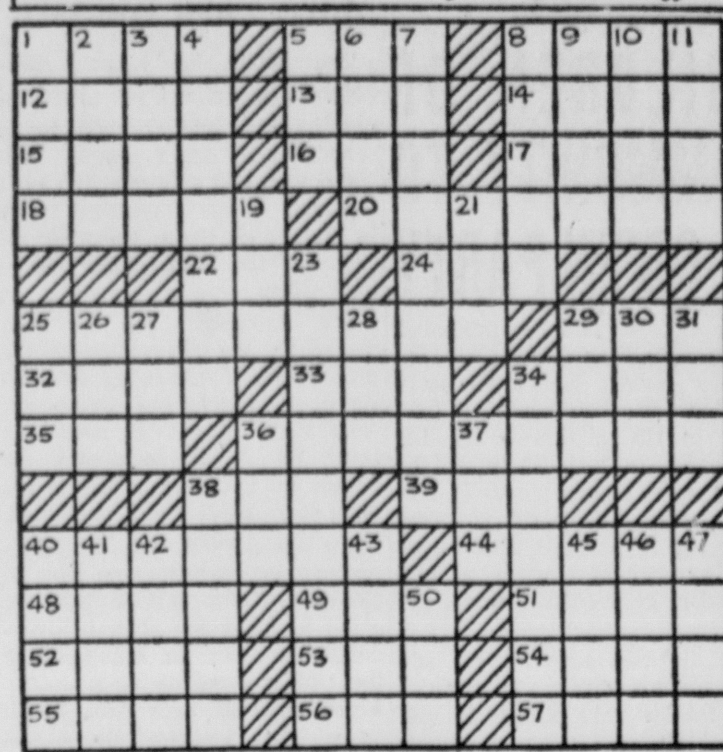

DIET AND LIKE IT
Reduce without starving! Send for my purse-sized booklet, "DIET AND LIKE IT," which includes: Shortcuts to dieting; a calorie calculator; simplified menu planning; your model weight. For your copy, write me: A Lovelier You, Box 158, The Gettysburg Times, Dundee, Ill., enclosing 20 cents in coin and a LARGE, SELF-ADDRESSED, STAMPED ENVELOPE.

Man, Woman Found Dead In An Auto

PITTSBURGH (AP) — A man and woman were found dead early Saturday in a parked car in nearby White Oak Borough.
Positive identifications were not available immediately, but police said cards found on the victims indicated they were Aloysius Blank of North Huntingdon Twp. near McKeesport, and Margaret Lamp of Liberty Borough. Both were about 50.
Police said two men found them in a car behind a tavern. The motor of the car was running and the heater was on. The deaths were tentatively ruled accidental.

TEENAGE BOY SHOT TO DEATH

PITTSBURGH (AP) — A policeman shot to death a teen-age boy early Saturday as he and some companions were fleeing a burglary in the city's Bloomfield section, police reported.
The dead boy was not immediately identified. He was about 18. Police said three or four youths had broken into an outside pop machine and tried to get into an outside beer cooler at a beer distributor.
A neighbor spotted the boys and called police.
The youths ran when police arrived. Police gave chase.
Officer William Hagan, 38, fired a warning shot. He fired again as one boy was climbing a fence. The youth, hit around the waist, dropped behind the fence.
He died on the operating table at St. Francis Hospital.

REDS WARNED BY JOHNSON

GAINESVILLE, Fla. (AP) — Vice President Lyndon B. Johnson has issued a blunt warning to the Soviet Union that the United States will use the full force of its growing military might to preserve its freedom.
"History shows that free men stand firm in the defense of freedom," he said in a University of Florida homecoming talk Friday night. "They do not know surrender, and they do not submit, whatever the cost."

Coupled with his strong words on the Soviet threat was an appeal for national unity in the battle against communism. He declared in indirect reply to critics of President Kennedy that "America can be defeated by irresponsible, arrogant partisanship."

The vice president said the United States and the free world could not be defeated militarily or economically and the Soviet Union might be taking one of the biggest and most ill-advised gambles in world history by its strong stand on Berlin.

"This gamble could well go down in history as the greatest miscalculation ever made," he said in a talk delivered at the Blue Key banquet.
MEXICO CITY (AP) — Taxi driver Carlos Otero del Palacio rushed into his burning house Friday night four times to rescue his wife and five children. All died later from burns and Otero himself was burned critically.

Phil Parsons, sophomore half-back from Merchantville, N. J., raced over the goal line in the third period to pace the Gettysburg College football team to a 6-0 victory over Lafayette Saturday afternoon in a Middle Atlantic Conference battle.

About 5,000 home-coming fans witnessed the grueling defensive battle between the two lines and the 60-minute encounter which produced one score and two threats. The victory marked the 11th straight home-coming triumph for the Bullets and the fourth win over the Leopards in the last six years. Gettysburg is now 2-5 on the season and 2-2 in MAC competition while Lafayette is sporting a 1-4-1 slate for the year and is 1-3 in conference play.

The Orange and Blue started the only scoring drive of the afternoon on its 30-yard line just after the second half started. Following three unsuccessful downs, the Leopards were forced to punt and the Bullets took possession when Jack Norwood was dropped in his tracks attempting to run back the boot.

PARSONS BREAKS AWAY

Terry Looker picked up six yards and Phil Parsons added 12 more for a first down on the Gettysburg 46. Looker gained four yards on two carries and Earl Little tossed to Norwood for seven yards. Little and Harry Buzzard then toted the ball 11 yards to the Lafayette 30. Buzzard added five more, Looker two and Little one, placing the ball on the Leopards' 22. With a fourth down and two situation, Phil Parsons took the handoff and drove off right tackle to sprint the remaining distance to the goal line for the score. Earl Little's placement attempt was wide to the left.

The first real threat of the ball game came midway through the second period. Lafayette began cracking away at the center of the Bullet forward wall and, with the help of a 15-yard penalty and the running of John Franco and passing of Ray Moyer, the visitors were able to reach the Gettysburg 15. Franco, Charles Zarelli and Moyer each gained three yards to the six, but on fourth down the Bullet wall held and John Contarino was cold.

TIME RUSING OUT

The last scoring threat occurred late in the game when Gettysburg's Lynn Hoffman hit Zarelli for a 10-yard loss and a fumble which was recovered by Bob Coble on the Leopards' 22. Looker, Buzzard and Parsons advanced to the nine and Earl Little toted twice to the one-yard line where the gun sounded ending the game.

Phil Wargo, Shamokin; Jack Norwood, Baltimore, and Mark Snyder, Lebanon, turned in fine defensive games for the Bullets holding the Leopards time and again. Earl Little was off his pace in the passing department completing eight of 22 aerials for 66 yards. The Bullet senior quarterback carried the ball 11 times for 37 yards, the most yardage he has picked up in one ball game during the past three years. Parsons, Norwood and Looker also ran well for the Bullets picking up a combined total of 111 yards on 28 carries.

Gettysburg, after winning two straight, will attempt to keep its string going when it tangles with small college power, Hofstra, Saturday afternoon on the Long Islanders' field.

STUDY HELMET GRID INJURIES

BIRMINGHAM, Ala. (AP)

Concerned by an increase in injuries on the playing field, college football's rules committee is exploring the possibility that the plastic helmet may be responsible.

This was revealed Saturday by Gen. Robert R. Neyland, chairman of the football rules committee of the National Collegiate Athletic Association.

"There was an increase in injuries last year, particularly around the head and neck," Neyland said. We felt it might be the result of modern equipment. We decided to take another year to form a judgment."

NOT TO OPPONENT

So far 21 football players have died in 1961, including four collegians, two semipro and 15 high school boys.

"There is a real question whether plastic head guards are not the cause of an increased number of accidents. The accidents seem to be to the wearer of the helmet, not to his opponent," Neyland explained.

Whatever Neyland's committee decides is binding on college football.

LONDON (AP)—The chief British Foreign Office spokesman, John Russell, conferred today with Pierre Salinger, President Kennedy's press secretary, who is visiting Europe.

Russell told newsmen the meeting was merely "a resumption of contacts" and had nothing to do with published rumors of a visit to Europe by Kennedy.

Notre Dame, one of many which fell before the upset scythe, may be in trouble again this week against Navy, another upset victim. The Irish lost their second after three straight victories, 12-10 to Northwestern, while the Middles, who had won four in a row after one loss, were surprised by Pitt 24-14.

Texas (6-0) is expected to get its fourth win in the Southwest Conference against Southern Methodist after easily disposing of title contender Rice 34-7. Georgia Tech continues to pursue the leaders in the SEC, beating Tulane 35-0, and now meets rebounding Florida.

Elsewhere, Princeton is all alone in the Ivy League following its 30-25 victory over Cornell and Dartmouth's upset by Harvard. The Tigers take on winless Brown this week. VMI is 3-1 after beating William & Mary 14-7 while the Citadel, 4-1, edged non-conference foe Xavier of Ohio 7-6.

EAGLES RALLY TO BEAT SKINS AS NEW YORK LOSES, 17-16

By MIKE RATHET

Associated Press Sports Writer

Sonny Jurgensen, who collected splinters and experience while Norm Van Brocklin was directing the Philadelphia Eagles, has stepped in to guide the defending National Football League champions to the top of the Eastern Conference.

The 27-year-old former Duke standout passed the Eagles into sole possession of first place in the East Sunday with a three-touchdown performance—the last of a 41-yard heave to Tommy McDonald with 16 seconds remaining to beat the upstart Washington Redskins 27-24.

The TD tossed to McDonald was Jurgensen's 14th of the season—top mark in the league—and gave the defending titlists a 6-1 record and a one-game edge over New York and Cleveland at the halfway mark of the expanded 14-game schedule.

BEAT ON FIELD GOAL

The Giants dropped out of a first-place tie when Dallas' Allen Green kicked a 32-yard field goal with 1:23 remaining for a 17-16 victory and the Browns moved up by beating the St. Louis Cardinals 21-10.

In the Western Conference, Green Bay kept rolling with a 28-10 trouncing of Minnesota for its sixth consecutive victory since an opening game loss and maintained a one-game lead over the Chicago Bears, 21-20 conquerors of the Baltimore Colts. San Francisco fell back, losing to Pittsburgh 20-10. Detroit whipped Los Angeles 28-10.

Jurgensen started the Eagles' desperation drive with 50 seconds remaining after the hapless Redskins, who list their seventh in succession and 15th over a two-season span, had taken the lead on a seven-yard flip from rookie Norm Snead to first-year fullback Jim Cunningham.

The Eagles began from their own 20 after the kickoff with Jurgensen firing 19 and 20 yard strikes to Bobby Walston, missing one, then arching the clincher to the speedy McDonald.

Green's winning field goal against the Giants (5-2) came after New York had come from behind to take a 16-14 lead on a five-yard touchdown pass from rookie halfback Bob Gaiters to Kyle Rote and Pat Summerall's three field goals. Eddie LeBaron

had fired TD passes of 14 and 14 yards to Frank Clarke and Dick Bielecki as the Cowboys (4-3) built a 14-0 lead.

The Browns (5-2) struck for two touchdowns within 35 seconds in the first quarter, Bobby Franklin racing 19 yards on a fake field goal attempt and Milt Plum hitting Ray Renfro with a 12-yard pass after the Cards (3-4) fumbled the kickoff. Army-bound Bobby Mitchell, playing in his last game, rambled 56 yards for another Cleveland score.

HORNUNG STARS AGAIN

Paul Hornung, who gets a physical today to determine his fitness for the Army, scored on a one-yard plunge, passed 10 yards to Ron Kramer for another touchdown and kicked four conversions. The Vikings (1-6), Hornung, the league's scoring leader, now has 102 points.

A pass interference moved the Bears (5-2) to the 17 in the fourth quarter against the Colts (3-4) and set up the winning touchdown. Rick Casares got it on a five-yard run and Roger LeClerc kicked the all-important extra point. The margin of victory was provided by linebacker Bill George, who broke through to block a conversion attempt by Steve Myhra.

105-YARD RUN

The Steelers (2-5) raced to a 17-0 first period lead against the 49ers (4-3) on a 30-yard TD jaunt by John Henry Johnson, an 11-yard pitch from Rudy Bukich to Tom Tracy and the first of Lou Michael's two field goals.

Jon Arnet of the Rams (1-6) ran a kickoff back 105 yards, one yard shy of the league record, but the Lion's (4-3) well-balanced attack got the job done. All four Detroit touchdowns came on short runs with Dan Lewis scoring twice and quarterback Jim Ninowski and Ken Webb once each.

Machinson, Tobias Win Grove Features

HARRISBURG (AP) — York's Johnny Mackison won one of the two closing day features at Williams Grove Speedway Sunday, turning in the best time of the afternoon.

Mackison was just one-half car length ahead of Leroy Felty, Jonestown, as his stock car crossed the finish line in 12 minutes, 19.12 seconds to win the first 25-lap feature.

Felty was second again as Dick Tobias of Lebanon won the second feature in 13:43.36.

Canners Go Down 25-12 As Camp Hill Seizes Three Breaks To Produce Scores

Capitalizing on three breaks including a recovered fumble, intercepted pass and blocked punt, Camp Hill High upended the Biglerville High Canners 25-12 Saturday afternoon on the victor's field before a thin crowd of about 700.

Coach Jack Emanuel's outfit rolled up a total of 175 yards on rushing but found the going rough when within scoring range.

Biglerville scored touchdowns in the first and final period.

BARBOUR BLOCKS PUNT

In the opening quarter the first Canner tally was set up when Bob Barbour, guard, blocked Tom Guise's punt and recovered on the Camp Hill 41.

It took just seven plays for Biglerville to score, Gary Fair going the final seven yards by circling left end at 4:47 of the period.

Camp Hill opened its first touchdown drive late in the opening period when George Stevens returned a Canner punt 11 yards to the Biglerville 49. Nine ground plays put the ball on the 20. Ten Larry Haas, quarterback, flipped a short pass to Hobie Blosser with the latter shoveling a lateral to Gaul who streaked untouched over the goal line after 2:00 of the second quarter.

Following the ensuing kickoff Camp Hill recovered a fumble by Fair on the first play from scrimmage and the Lions took over on the 39. A short pass, Haas to Stevens, at the 25 produced the score when the latter raced the 25.

Neither team tallied in the third period. Midway in the final period Guise blocked a punt by John Ernst on the Canners' 21 and the ball rolled to the three where Bob Esson recovered. Blosser cracked over on the next play to make the score 18-6.

INTERCEPT PASS

Two plays after the following kickoff Guise intercepted an Ernst pass on the Canner 30 and raced the entire way for the six-point. Blosser placed-kicked the point for the lone successful conversion of the afternoon.

Biglerville came back to hit pay dirt in the late moments when Gary Wright went over from the one after the Canners had driven into enemy territory.

Early in the third quarter Bill Slaybaugh suffered a leg injury while punting. Preliminary x-rays at the Polyclinic Hospital, Harrisburg, revealed there was no fracture.

The Canners, now 3-5, wind up their campaign by meeting intracounty rival, Littlestown, on the latter's field Friday evening at 8.

G-BURG FROSH BOOTERS WIN

The Gettysburg College Freshman soccer team annexed its third straight win of the season by downing Mercersburg Academy 2-1 here Saturday morning.

The Little Bullets lost little time in getting started as John Cone rammed through a shot after a minute and a half had gone by the first quarter. Gil Lusk made the assist. Gettysburg put the game on ice in the second period when Howie Kline assisted Bob Doorley on a scoring shot up the middle. The tally came at the 2:25 mark of the frame.

Mercersburg's lone score came in the final period on an odd shot. Bill Colella, Mercersburg's wing, cut loose with a line drive from the left side of the nets. The ball struck Gettysburg's fullback Al Manda on the head and went twisting in for the score.

Gettysburg will travel to Annapolis, Md., Wednesday afternoon to tangle with the Naval Academy Plebes.

ACCUSE CHIEF OF "FRAMING" STAR GRIDDER

LEXINGTON, Ky. (AP) — The Newport, Ky., police chief stood accused today of framing George Ratterman, a man running for sheriff on a pledge to clean up the county surrounding that northern Kentucky gambling hive.

"The foul odors of vice, corruption and bribery cover Campbell County like a pall," a federal grand jury reported Friday as it returned indictments against Newport police chief Usher White, two of his detectives, and three other men.

The indictments charge the defendants conspired to arrest Ratterman in a hotel room with a strip tease dancer last May 9, although they "knew Ratterman was innocent" of any law violation. Ratterman, a former professional football player, is running for Campbell County sheriff in next month's election with the backing of a reform group.

GET FAIR TRIAL

"It's a relief to have my phase of the investigation over," Ratterman, 34, said. "But I take no pleasure in seeing anyone indicted. I'm sure they'll get a fair trial."

The grand jury session began last summer to see if Ratterman's civil rights had been violated when he was arrested in the hotel room with dancer April Flowers. Ratterman claimed he had been drugged and framed, and misdemeanor charges against him were dropped in a police court trial.

Indicted with White, 49, were Detectives Pat Clafardini, 39, and Joseph Quittner, 43; Charles E. Lester, a Fort Thomas, Ky., lawyer; and night club operators Tito Carinci, 32, and Edward Anthony Bucciari, 39.

Clafardini was the man who arrested Ratterman in the hotel room, which was Carinci's White, then a detective, and Quittner were on the call. Lester allegedly telephoned a photographer to arrange for pictures of this incident; and Bucciari was a coowner of the hotel.

White, Clafardini, Newport Mayor Ralph Muffman, three city commissioners, and several police officers were indicted by a Campbell County grand jury last month on charges of conspiracy to obstruct justice.

SEE SOME HOPE OF OVERCOMING BERLIN CRISIS

By WILLIAM L. RYAN
Associated Press News Analyst
BERLIN (AP) — While Soviet and American tanks played Russian roulette at the Berlin sector border, Premier Khrushchev in Moscow seemed to be groping for the safety catch.

Khrushchev's words carried the suggestion that he is now ready for an East-West meeting at lower levels, perhaps of the foreign ministers, that could prepare the way for talks perhaps at the summit.

From the vantage point of West Berlin, it begins to seem that the more perilous the border situation looks, the more hope there is that the deadly crisis is about to ease a bit.

"MOSCOW BACKDOWN"

The dispatch of Soviet tanks to the wall the Communists built around East Berlin's people is in a sense a Moscow backdown. It

ALBRIGHT TIED BY MORAVIAN; LEHIGH WINNER

By THE ASSOCIATED PRESS

Moravian, Pitt, Lehigh... these were the Cinderella teams of the last football weekend of October, 1961.

Moravian tied Albright 8-8, which may seem like nothing unless you know it was the first time since Oct. 24, 1959, that Albright failed to win a football game. Albright had to come from a tie and preserve its 17 game winning streak.

Pitt, a pre-season rated power in the East, but loser of its last four games, rose to upset favored Navy, 28-14. Jim Traficant, a slick junior quarterback back in full time action after a leg injury sidelined him for the first five games, ran for two touchdowns in sparking the Panthers.

HARVARD BEATEN

Lehigh invaded the Ivy League for the second time this season—each time an underdog—and for the second time hung the opposition in its own ivy. It was Harvard earlier in the campaign, and highly rated Columbia Saturday. The score was 14-7 with Pat Clark and Boyd Dowler leading the victory.

West Chester State, which had not lost a game since Nov. 7, 1959, tasted defeat when a strong Muskingum College came from behind to beat the Rams 19-16.

Among the state's unbeaten and untied, Susquehanna waffled Delaware Valley 30-0 for its sixth win.

and 10th in a row over a two year stretch. The Crusaders rolled up 379 yards on the ground, Lebanon Valley spotted Dickinson a 7-0 lead before rallying for a 17-7 victory, its fourth straight. And Allegheny with quarterback Stoner Tracy having a hand in all the points, trounced Case 33-14, also for No. 4.

Villanova made it six out of seven with a 34-0 triumph over the Quantic Marines, rolling up 280 yards on the ground to minus one for the Marines. Penn was soundly trounced by Rutgers, 20-6, mostly by lads recruited by Penn Coach John Stiegman before he switched from Rutgers to Penn two seasons ago.

Halfback Toby Barkman, the lad doctors said might never walk again let alone play football, added two touchdowns to his state leading total—it's now 78—as East Stroudsburg clobbered Bloomsburg 36-0. Gettysburg rallying after losing its first five games, won No. 2 in a row, 6-0 over Lafayette.

Bucknell had little difficulty with winless Muhlenberg, 27-0. Clarion leading the Western Division of the State College Conference was deadlocked 14-14 by California on a TD in the last 36 seconds of the game.

Temple's Bill Lites booted two extra points, and that was the margin the Owls needed as they defeated Hofstra 14-12 in a night game. Quarterback Bill Grubb scored one TD and passed for another.

Saturday's College Football Stars

Galen Hall, Penn State—threw two long touchdown passes in 33-16 triumph over California.

Jim Traficant, Pittsburgh—ran for two touchdowns in 28-14 upset over Navy.

BOSTON TIES TITANS IN AFL

By HAROLD V. RATLIFF

Associated Press Sports Writer
Coaches Mike Holovak of Boston and Wally Lemm of Houston, busy getting their teams into the American Football League's upper echelons, must thank their lucky stars every night for having such scoring machines as Gino Cappelletti and George Blanda.

Cappelletti, particularly, is a one-man point wave. He scores in every way imaginable and it doesn't matter whether it's in the clutch or not. Gino comes through anyway.

He scored 16 points when Boston, starting back up under new coach Holovak, scuttled Buffalo 52-21. Sunday he ran his season total to 100 points, far ahead of anybody else, when he won for Boston against Dallas. Gino trotted out and kicked a 24-yard field goal as time ran out and Boston had an 18-17 triumph.

THREE 3 TD PASSES

Blanda, a 12-year veteran of professional football, has been performing similarly for Houston, the defending league champion, in its resurgence. The only difference is that Blanda doesn't score as many points personally—he makes it possible for others to do it.

He threw three touchdown passes and kicked a 53-yard field goal in Houston's 38-7 conquest of Dallas. Sunday he passed for four touchdowns and set a record of 464 air yards while sending Houston to a 28-16 victory over Buffalo.

Today Boston is tied with New York for the lead in the Eastern Division of the AFL while Houston is in third place, just a half-game back. Houston hasn't played as many games as Boston.

New York stayed deadlocked for the lead with a 14-6 victory over Oakland. It was the first time in 21 games that Al Dorow didn't pass for a touchdown but Bill Mathis took up the slack—he made two running.

The Western Division of the league has reached that ho-hum stage. San Diego refuses to lose a game or give anybody any hope of winning one. The talented Chargers ripped Denver 37-0 Sunday for their eighth straight victory and a 4 1/2 game lead over Dallas, the runner-up in the division.

Eve top a casserole of mashed potatoes with whipped cream and grated cheese? Add a dash of salt and paprika to the cream when you whip it. Slip into a hot oven until the topping is golden brown. Definitely a company dish.

You'll find that a Flameless Electric Clothes Dryer is the greatest time-saver you can buy for your home.

It cuts out 80% of the time required to get laundry from the washer to the ironing board. It eliminates entirely the hours you spend to lug wash to the line, pin it up, take it down and haul it back to the house. You also escape the 40 weary miles you probably walk in a year during back-breaking washdays.

You'll also save ironing time with an Electric Clothes Dryer. Many of the clothes are so soft and wrinkle-free when they come from the dryer that they can be folded and put away without ironing.

Save time... and money! See your dealer now while special prices on Electric Dryers are available.

Traficant Leads Pitt To Victory

PITTSBURGH (AP) — Pitt has regained the winning touch in football, thanks to some constructive criticism.

A couple of weeks ago Coach John Michelosen criticized quarterback Jim Traficant for not running when he had the opportunity. Traficant had the opportunity Saturday and took advantage of it to score two touchdowns in the Panthers 28-14 upset victory over Navy.

In the first quarter against the Middles, Traficant faded back to pass. Finding his receivers covered he darted through the middle for a touchdown. In the third period, he raced around right end for Pitt's third and winning touchdown.

Commenting on his success as a runner, Traficant said, "I never run so much so I guess they didn't expect it."

Traficant's running was not the sole reason for Pitt's victory. The Panthers defense also played a major role.

PRESIDENT IN OKLAHOMA OVER WEEKEND

By WHITNEY SHOEMAKER
BIG CEDAR, Okla. (AP)—President Kennedy preached natural resources, learned about cattle and boosted Democrats Sunday in his first trip to the hinterlands as chief executive.

He dedicated a road at Big Cedar—not yet a point on the map—and saw, close-up, the prize Angus cattle at Sen. Robert S. Kerr's ranch—much larger than Big Cedar.

He also shook the hands of scores of country folk and mingled with Democratic office holders.

Landing at Fort Smith Sunday, Kennedy strode up to a group that may get involved in an Arkansas political scrap next year. Sen. J. W. Fulbright was there with Gov. Orval E. Faubus and Rep. Dale Alford, both of whom reportedly are thinking about opposing Fulbright for re-election in 1962.

PLUG FOR FULBRIGHT

Kennedy shook hands all around and worked in a plug for Fulbright, who he said, has labored for a "strong United States in a peaceful world—and also spoke for the interests of Arkansas."

Fulbright is chairman of the Senate Foreign Relations Committee. Arkansas critics have charged him with forgetting the state while pursuing foreign policy problems.

Sen. John L. McClellan and Democrats in the state's House delegation also turned out for the president, who carried Arkansas handsily in 1960.

Kennedy praised his Democratic hosts in Oklahoma, which voted for former Vice President Richard M. Nixon.

Both at Fort Smith and at Big Cedar, the chief executive said the nation cannot lose sight of its natural resources, its "land, wood and water," while building its military might.

"We hold the sword," he told thousands who converged on the Big Cedar crossroads, "and we are determined to maintain our strength and our commitments. But we also hold in our hands the trowel."

Richest Race To Be Held Saturday

By TED MEIER
Associated Press Sports Writer
And now comes the world's richest horse race—the \$300,000 Garden State Stake for 2-year-olds at Garden State Park on Saturday with an estimated \$175,000 for the winner.

This golden gallop over 1 1/4 miles has in recent years pinpointed the colts most likely to star in the glamorous races for 3-year-olds, the Flamingo, Kentucky Derby, Preakness and Belmont. This year promises to be no exception, although several outstanding juveniles, such as Jaipur and Sir Gaylord, have been retired for the season.

Donut King, Verne Winchell's California cannonball who surprised by winning the Champagne over Jaipur and Sir Gaylord, appears the likely favorite.

The son of Determine-Strayed easily won his half of the split Garden State Trial last Saturday. He beat Obey by 9 lengths in 1:44 4/5. Crimson Satan, fourth to Donut King in the Champagne, also breezed home in his half of the Trial, winning by seven lengths over Pinsetter in 1:44 1/5. Donut King paid \$5.80 and Crimson Satan \$4.20.

It was in the Garden State a year ago that Carry Back hit the jackpot and started on the road that led to victory in the 1961 Kentucky Derby and the Preakness. He hit the headlines again at the Camden, N.J. track Saturday by winning the \$75,000-added Trenton handicap.

2 Hunters Killed On Opening Day

By THE ASSOCIATED PRESS
The small game season in Pennsylvania opened on a grim note Saturday with two hunters killed and more than a dozen others injured.

Some two hours after the start, 34-year-old John Turner of Harrisburg was shot in the face while hunting in Perry Twp., Snyder County.

Later, Virgil Zantowsky, 30, of Carbondale, a father of five children, was fatally injured hunting near his home town.

Deputy Coroner George Garman of Snyder County said the shot that killed Turner was fired by Carl Wallace, 45, also of Harrisburg. Wallace told authorities he fired at a rabbit.

Zantowsky was hunting rabbits with Vincent G. Burney, 28, also of Carbondale. Burney said his companion climbed atop a stone wall and rested his gun against barbed wire along the wall. Burney said he turned away, heard a shot and turned around to see Zantowsky falling. The hunter died three hours later. He was shot in the abdomen.

force was arrested in connection with the shooting.
Rankin Police Chief Frank Gaskill said Crawford was not trying to arrest Eskew but that the two apparently had been feuding for some time.

Pottsville, West Scranton In Lead

HARRISBURG (AP)—Both West Scranton and Pottsville won over the weekend to hold onto first place in their respective divisions in the East Penn Scholastic Football Conference.

Old Forge, which played a non-conference game, also remained in second place behind West Scranton in the Northern Division. In the Southern Division, Coal Twp. bumped Hazleton out of the runnerup spot by beating last week's second place team, Hazleton dropped to third.

The flower market in Mexico City is half a block long and it is open all night.

How can you be sure you're getting a '62?

Don't worry. You couldn't buy a new '61 VW even if you wanted to. There are none left. Besides, there are some sure-fire ways to identify the '62.

It just takes a little looking. The taillights are a half an inch bigger. The new VW also has a gas gauge. For the first time. But most of the '62 changes can't be seen at all. You feel them.

We put new heater outlets both front and rear. You use less pressure for braking. Clutch and brake cables that used to need maintenance, don't any more.

We don't think we can make anything on a VW stay shut better. So we made a few things stay open better. Doorsteps that work. A spring to hold the front (trunk) hood open.

In all, there are 28 significant changes in the '62 Volkswagen. But not one of them was designed to make last year's model obsolete.

And that's the way it'll be in '63, too.
